

EXECUTIVE OFFICER

Northern Mallee Leaders Inc. is one of ten regional community leadership organisations across Victoria, with the aim of developing inspiring community leaders.

You will be responsible for leading a small team in the design, delivery, and sustainability of the program that is aimed at developing our next generation of leaders.

Utilising your strong links to Government, local business, and community groups, you will source and secure support and financial funding; raise the profile and awareness of the program with the aim of increased participation. Additionally, you will provide leadership to the team in the design and delivery of a work class leadership program; along with facilitating strong alumni membership and initiatives.

You will have exemplary relationship building and stakeholder management skills; experience in securing funding through grants and sponsorship, and have an overarching passion for building leadership capacity within our region.
